VPCL222FX/B

A contemporary high-definition PC/TV with a stunning 24" (diag.) Full HD LED backlit multi-touch display, offering intuitive touch access to Internet, movies, music, photos and more. With so many integrated features, the L Series delivers the ultimate one-stop shop for your every productivity and entertainment need.

Cool to the touch

Thanks to Edge Access™ technology, the touchable area extends to the display's edge and incorporates touchable controls into the glass bezel. Easily access everyday shortcuts such as close, next, previous, zoom, and on-screen keyboard in one dedicated space.

Space Saving

Curb clutter in your workspace with a powerful computer that's built into the back of a stunning 24" (diag.) Full HD LED backlit display. Compact, sleek and easy-to-use, the L Series is as practical as it is stylish. Its all-in-one design concept requires only a single power cord to keep you powered, connected and in-control to ensure you'll never have a tangled mass of wires invading your foot space.

The True Beauty of Displays

Measuring an impressive 24" (diag.) and sporting a cinema-inspired 16:9 aspect ratio, the 1920 X 1080 Full HD resolution widescreen display lets you view your games and movies in impeccable detail with amazing color and contrast from virtually any angle. Transform your VAIO® L Series into a one stop multimedia shop. Connect your compatible cable box, satellite receiver or PS3™ system directly to the L Series with an HDMI® input (HDMI cable required, sold separately).

Intel® Core™ Processor technology

For the most visible difference in HD, multitasking or multimedia, get the processor with top-of-the-line performance you can truly see and feel. With our best set of features for the speediest and most responsive experience, the 2nd generation Intel ® Core™ processor is the ideal choice for whatever you want to do. It's visibly smart performance at its best.

Built-in HD web camera and microphone

The L Series features a HD web camera powered by an Exmor™ image sensor which allows for great low-light performance. The built-in camera and microphone is excellent for video messaging with family, friends and coworkers. Face tracking technology allows the camera to automatically adjust focus and follow you as you move around while video chatting.

With a 2nd generation Intel® Core™ processor and easy access to the Web, VAIO Care™, and Media Gallery™, the L Series is in a class by itself. You get smart performance and amazing picture quality all in a sleek, up-market design.

1. GHz denotes maximum microprocessor internal clock speed and may vary based on application.

4. 1 GB = one billion bytes. Actual formatted capacity will be less.

5. Allocation of system memory to graphics varies depending on operating condition, version of device driver and total system memory size.

6. This PC is preloaded with reduced-functionality versions of Word and Excel that include advertising. Purchase an Office 2010 Product Key to activate full-featured Office software on this PC.

7. For some third party software, Sony provides initial support. Additional support may be available from the applicable vendor. Availability may vary by vendor.

9. Estimates based upon Sony engineering testing. Actual performance varies based on configurable options, settings, environmental conditions, and usage. Battery capacity decreases over time and use.

11. Norton™ Internet Security 2011 30-day subscription is pre-installed on your Sony VAIO PC. You need to activate the software for the product to work. After your 30-days are finished, buy Norton Internet Security to continue to be protected from viruses, hackers and identify theft.

12. Availability may be limited. See limited warranty for details.

14. Mount sold sep.

Specifications subject to change. Non-metric weights and measures are approximate.

Certain Microsoft products included with this computer may use technological measures for copy protection. IN SUCH EVENT, YOU WILL NOT BE ABLE TO USE THE PRODUCT IF YOU DO NOT FULLY COMPLY WITH THE PRODUCT ACTIVATIONPROCEDURES. Product activation procedures and Microsoft's privacy policy will be detailed during initial launch of the product, or upon certain reinstallations of the software product(s) or reconfigurations of the computer and may be completed by Internet or telephone (toll charges may apply).

This product meets the standards of the International Energy Star Program for energy efficiency.
